High Hands.

1. In order to be eligible to have a qualifying hand, both of the participant's hole cards must play.
2. Winners shall receive payment for the High Hand Jackpot in chips and shall not be entitled to receive any other form of payment.
3. Prizes not claimed within seventy-two (72) hours from the time of winning shall be forfeited and put into the Reserve.
4. This Promotion is subject to change or cancellation at management's discretion. Management decisions are final.
5. There must be at least four (4) active participants, tables with less than four (4) active participants are not eligible, and at least ten dollars (\$10.00) in the pot for a hand to qualify for High Hand jackpot ("High Hand Jackpot"). House and Jackpot Rakes received for the hand in question shall count toward the pot size in determining whether the pot contains the ten dollar (\$10.00) minimum required for a qualifying hand.
